Please include a PDF or hard copy of the artwork to ensure proper transmission of the art file.

**Art Requirements:** We prefer one color vector art, acceptable vector formats are: CorelDraw, Adobe Illustrator, or PDF files. If you need to submit an image, they must be to imprint size and be at least 300 dpi for best results, acceptable image formats are Adobe Photoshop, jpg, or tiff files. We do not accept data files, publisher files, InDesign files, faxed or scanned art, or word documents as art files. All fonts must be converted to curves/outlines prior to submission to avoid font problems; factory is not responsible for font conversion errors. Multi-color Art: Please provide vector art, and designate colors for accurate color separation.

**Four Color Process Artwork and Imprinting:** Please visit our website at [www.keystoneline.com](http://www.keystoneline.com) to access our templates for four color process art. We need 1/4" bleed on most four color process products as well as 1/4" inside the cut line to ensure nothing important is cut off. Photos for scanning are acceptable, add \$40.00 (g) per photo. Please provide PMS# for color reference, PMS matches are not available on four color process items.

**Art Layout and Charges:** If art layout is not specified by customer, factory will use its discretion on setup. If artwork does not meet the art requirements above, we can recreate artwork at a charge of \$60.00 (g) per hour. Normal typesetting can be done at no charge, typesetting of more than 50 characters will incur an additional charge at the rate of \$60.00 (g) per hour. If any additional art charges are needed, we will notify customer for approval prior to proceeding with your order.

## Art Proof Approvals

Electronic proofs are available only upon request on smaller quantity orders; all large quantity orders are proofed (over 2,000 pieces/passes) and must be signed off on before production scheduling. No ship date is confirmed until proof approval is received and virtual proofs can add up to an additional 24 hours to process. Once proof approval is received, standard service orders up to 1,000 pieces/passes will ship in 5 working days, larger quantity orders will require longer production times. Orders requiring customer initiated art revisions after initial proofing will be charged a \$10.00 (g) revision charge for ANY changes to the art. Orders cannot ship on the day approval is received. (See Production Options for details)

## Imprinting

**Set Up Charges:** Please note that set up charges vary by product. A one color imprint is included with initial set up charges; please see individual product pages for specific information. Additional colors will require a set up charge per color, plus additional color run charges, unless otherwise indicated.

**Exact Reorder Set Up Charge:** Reorder set up charges vary by product. Each repeat order must have the exact same artwork as the previous order; colors can vary from order to order. Any change, whether copy or art, will cause the artwork to be considered new, requiring a new set up charge. Artwork is only kept on file for two years. Please submit new artwork for older orders; new set up charges will apply.

**Co-op or program orders:** Ongoing repeat orders with the same logo/art may be eligible for EQP pricing and no re-order set up charges. Contact Customer Service for full details; a factory assigned co-op/SP number is required for co-op pricing benefits.

**Multi-Color Imprints:** In order to achieve registration, many start up pieces are required which cannot be shipped. The additional time and materials required to achieve a multi-color registration cannot be absorbed on small quantity orders. The quantities required for multi-color printing are:

- Two color imprints are available at catalog minimum on most items.
- Three or more imprint colors require a minimum of 500 pieces on most items.
- Less than established minimum quantities are not available for multi color imprints.

**Multi-Color Registration Requirements:** 1/16" is factory standard and must be deemed acceptable. For tight registration, please consult factory for pre-approval of artwork.

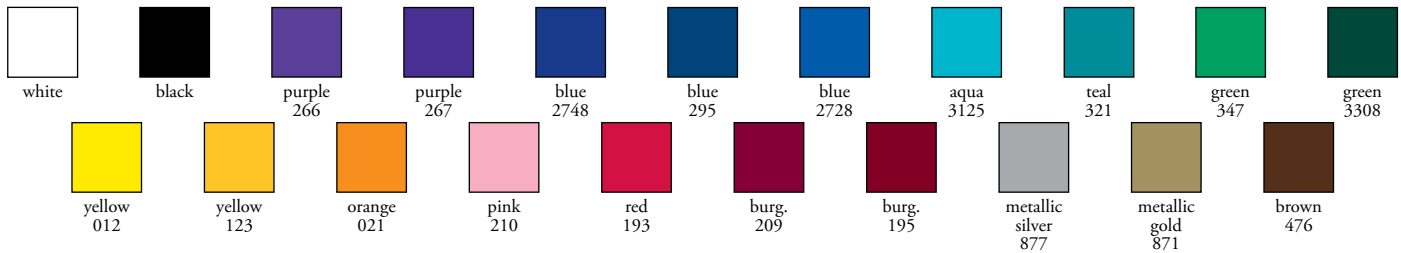

**Ink Color Charge:** \$25.00 (g) per change; ink changes are subject to absolute minimum quantities.

**Copy Change:** New set up charges apply. Absolute minimum quantity is required per copy change.

**Imprinting Pricing & Second Side Imprints:** Most prices include a one color/one sided imprint; please see individual product pages for specifications and second side imprinting charges. Drinkware is automatically imprinted with the same artwork on both sides, unless otherwise specified or if the artwork lends itself to a wrap imprint. A wrap imprint does not print the full circumference of the product.

**Translucent & Dark Colored Products:** White, Metallic Silver PMS 877 and Metallic Gold PMS 871 are recommended imprint colors on translucent and dark colored items. Second side and black imprints are not recommended on translucent colored items. Metallic inks may require additional charges. Metallic ink is not available on four color process items.

**Standard Imprint Colors:** PMS Red 193 matches red lids, PMS Blue 2728 matches blue lids, PMS Blue 295 matches pearl blue lids, PMS Aqua 3125 matches aqua lids, PMS Purple 267 matches purple lids. Below are our standard imprint colors

*Note: Indicated PMS colors will go off the number, not the reproduced swatch due to inconsistencies in catalog print color reproduction. Please reference your PMS guide for most accurate color representation.*

**PMS Colors & Dark Colored Products:** PMS matches are available at \$40.00 (g) per color, per order on most products. If specific color match charge and instructions are not clearly indicated, factory will match indicated PMS color as close as possible without a charge (color will be within two shades of specified color and cannot be duplicated on reorders). Dark colored products will alter the appearance of most imprint colors; PMS matches cannot be achieved on dark colored products without a white underlay, which will incur additional costs. For PMS matching on four color process items, please see “Four Color Process Artwork and Imprinting.”

**QR Codes:** While we test QR Codes via several different programs prior to producing an order, we cannot guarantee the codes will work on all QR Code apps.

## **cps** Name Badges and Badge Release Program

**Personalization:** Please submit names for personalization with your purchase order, names required in Word or Excel document. It is essential to provide the names in the exact format for printing; please note clearly if names are to be stacked, single line, type case (caps or upper/lower), and please define title position, if applicable. Names will be produced exactly as submitted; please assure punctuation and all name, title and type details are correct and complete.

**Badge Release Program:** Prepaid badges can be released one or more at a time on demand; complete fulfillment details will be sent with confirmation of your order. Please reference item # CPSRLS and the number of badges within your order that will require future fulfillment in individual drops; each release is \$2.00 (g) per badge. Badges ship within 5 working days via USPS first class and within the United States only. Rush Service is not available. Expedited shipping and/or international shipping will be billed accordingly. It is expected for all badge release programs to be completed and fulfilled within two calendar years from date of purchase order.

## **Pre-Production, Spec Samples and Random Samples:**

Pre-production proofs are recommended on multi-color, large quantity orders or may be required at the discretion of factory based on difficult artwork. Pre-production proof ship method will be determined by factory. Pre-production proofs on some items are cost prohibitive. Customer changes to pre-production proofs based on submitted artwork will incur new screen charges.

Pre-production and spec samples are billed at \$20.00 (g) per imprint color, plus product cost, screen charge(s) and freight, and may be rebatable to the final order.

Random samples are provided at no charge; you must supply your ship number. Small items that can ship in an envelope via USPS will ship at no charge, no tracking available.

## **Shipping**

Standard shipping is via UPS Ground, unless otherwise specified on purchase order. Expedited freight authorization and changes in ship method and/or ship to address must be confirmed in writing to [changes@keystoneline.com](mailto:changes@keystoneline.com). A minimum of 48 hours advance notice is required to assure that ship method changes can be implemented. Freight charges are published rates plus a handling charge and fuel surcharge (where applicable). Please verify freight costs with factory. All air packages are rated by carton size or weight, whichever is greater. Delivery liability with factory ends when merchandise is delivered to a freight carrier. If the carrier fails to make a timely delivery, the distributor still has a liability to the factory.

- 2nd or 3rd party handling billing (or APO or FPO) add \$2.50 per carton handling charge (\$200.00 maximum per order)
- Drop ship add \$6.00 (g) per location
- Less than carton pack add \$4.00 (g) per carton
- Parcel post shipment add \$5.00 (g) pick up charge per order
- FOB Point – Erie, Pennsylvania 16506
- Truck Shipments: Add \$20.00 per pallet for palletizing and shrink wrapping.

**Freight Carrier Address Correction Charges:** \$13.00 per carton, or the applicable carrier charge, plus a \$15.00 administrative fee. Please verify your exact ship to address on your purchase order to avoid delays and correction charges. Address correction charges and/or freight charge backs will be billed within 30 business days of shipment and will not be credited.

**Force Majeure:** CPS Keystone is not responsible or liable for nonfulfillment of an order due to natural disaster, strikes, customs delays, or other circumstances beyond our control.

## Pricing Details and Credit Terms

**Pricing:** All prices are per unit and include a one-color imprint unless otherwise specified. Factory is not responsible for incorrect purchase order information; please verify all related item/order costs or contact Customer Service to confirm pricing details.

**Pricing Changes:** Due to the instability of raw material prices, factory reserves the right to amend the prices in this catalog after giving 30 days notice. Please contact factory prior to confirming previously quoted large quantity orders. Published prices in this catalog are effective at time of publication. Due to fluctuating currency and material costs beyond our control, the most current prices will always be published, with appropriate advance advisement on our website and those prices will prevail.

**Payment:** Standard terms are net 30 days. Payments not received within terms will cause production delays on current and future orders. 1 ½ percent interest charge may be assessed on all past due balances. MasterCard, Visa and checks are accepted. Returned checks will incur a \$30.00 service charge. Credit card payments that decline will incur a \$10.00 fee. Deposits are required on all first time orders and will continue to be required until terms are established. Contact our credit department for a credit application. Credit card numbers are not kept on file unless specifically requested. Terms may be revoked without notice. New customers must provide a resale certificate and tax exempt form, when applicable. CPS sells exclusively through verified promotional products distributors.

**Price Quotations:** Valid for 30 days due to uncertain raw material costs.

**Distributor Self Promotions:** Ten percent off EQP or Megadeal specials, whichever is lowest.

**Unimprinted Products/Blanks:** EQP less 5%; minimum order \$75.00 required

**Assembly:** Please note assembly charges where applicable.

**Cancellations:** All cancellations are subject to approval by the factory. Costs incurred will be billed for all work performed to point of cancellation, plus \$30.00 (g).

**Guarantee:** All products are guaranteed against defects in material and printing subject to normal consumer applications. Claims must be made within 15 days. Product color finish may vary due to manufacturing process. Hot stamp imprints are not guaranteed. Plastic products may show molding/scuff marks resulting from the production and shipping processes. Poly bagging is recommended to minimize scuff marks, see individual catalog pages for pricing. Factory will not be held responsible for scuffed products. Mugs, cups and bottles are not dishwasher or microwave safe, nor are they measuring devices. Measurements for all items are approximate and may vary from lot to lot. Samples should be requested in advance for any items with which you are not familiar.

**Return Policy:** No merchandise may be returned without pre-approval from factory. Please contact factory for a RMA# and ensure that it is clearly marked on all boxes being returned. Shipments without factory RMA# will be refused.

**Product Colors & Illustration:** Product color finish may vary due to manufacturing process. Logos used in marketing materials are for illustrative purposes only. This does not imply endorsements, nor has the owner for such design expressly authorized any items with the specific logos for sale to anyone. Products and product colors are approximate and are for illustrative purposes only; factory reserves the right to offer a substitute product that compares in price, design, type and color for those shown in this catalog.
